## GUIDELINES for your Interviews:

Each Interview Session is **20 minutes total** in length.

We will have a large timer at each end of the gym to indicate the length of your interview. Please stay on time.

**Students will hand you their folders containing a cover letter, resume, reference letter as well as a general job application that they have filled out. Please return the folder to the student BEFORE they leave your interview.**

Some suggestions for budgeting your interview time:

- Take 2-4 minutes to look at documents and ask a few questions about things that catch your attention like "I see you are in FBLA -- tell me something you have done as part of that organization."
- 8-10 minutes interviewing
- 2-3 minutes in a mentor role (not interviewer) to tell students what they did well and how to improve
- 3-5 minutes filling out our **student evaluation**—comments are greatly appreciated!

Please place your **student evaluations in the basket** on your table, and those will be periodically picked up.

**INTERNET ACCESS:** Public wireless is not available so please use your own data for access.

**RESTROOMS** are located in commons area. Exit the gym through the south doors, take a left, walk straight ahead.

Our **LUNCHEON** begins at 11:30 am for those who indicated they would join us and takes place in the north half of this gymnasium. Your lunch table number is printed on your nametag. A guest speaker will address us immediately after lunch and wrap up around 12:45 pm. Afternoon interviews run from 1:00 – 2:30 pm.

**THANK YOU** for participating!
