

Wamego High School Wamego Area Chamber of Commerce PEER CHAMBER Program

Goal: To build strong partnerships between local businesses and student leaders

Wamego Peer Chamber 3 tiers of focus:

- Leadership – to develop leadership, communication, and networking skills
- Impact – to make a difference and reciprocate with the community
- Service – to give back to the community with volunteer service

Objectives for student members:

- Develop leadership exercises to teach students how to professionally meet and greet adults
- Develop career related activities to teach civic responsibility
- Understand the importance of volunteering and learn how to be an effective volunteer
- Understand the value of marketing and networking within a community

Benefits of strong program:

- Develops strong partnership between business leaders in community and student leaders
- Networking connections between local businesses and student leaders
- Students understand value of a local chamber and want to be involved in future programs
- Students understand civic leadership
- Student volunteers for chamber events and city activities (secondary)
